

Prospect List of Key Leaders

District _____

Community _____

Please complete the below list as best as you can, prior to the workshop. If recruiting in more than one area, please complete a list for each prospective community. Research can be done via Internet and can be divided up so others can help. Recruiting is not limited to this list, but will serve as a guide for you when recruiting. There are many more types of businesses that can be added to this form. Please use additional sheets if necessary.
